

April 2021

Carnow, Conibear & Assoc., Ltd. (Carnow Conibear) is currently seeking an experienced IDPH-Licensed Project Manager to work with our Asbestos and Lead Team.

As an Asbestos and Lead Department Project Manager, you will work with a team of professionals on challenging environmental projects for public and private clients. Depending on your areas of expertise, your tasks and responsibilities may include:

- Overseeing the proper coordination of projects to ensure project timeliness, QAQC, and client overall satisfaction
- Conducting Asbestos Investigations
- Conducting on-site Asbestos Abatement Project Management
- Conducting Asbestos Air Sampling
- Conducting Lead Inspections, Risk Assessments, and Clearance Sampling
- Conducting Mold Evaluations
- Assisting in the development of Project Designs

Reliable auto, valid driver's license, and short-range travel required.

This is a terrific opportunity. Carnow Conibear offers training, opportunity for growth, and a competitive compensation package for qualified individuals.

Candidates shall submit resume to:
